

## **Almost Cuba cryptic clue and photo rally on Sunday April 8<sup>th</sup> 2018!**

Your car would like some exercise! Therefore we have organized a fun rally travelling on inland back roads ending at a delightful restaurant !

The distance is about 96 miles. It will be an event with cryptic clues and random photos to test your observation - it is not a race! There are sections with no clues to better enjoy the scenery!

It is easier if you have a copilot to help find the clues!

We will meet at a destination that we will let you know when you register!!!

Lunch will be a \$15 buffet and payable to the restaurant on the day . **There is \$10.00 per car registration for the event.**

**You must register for the event by contacting  
Jenny and Chris Branston:-  
email [cbran62643@aol.com](mailto:cbran62643@aol.com) or phone 239 598
